Log No. Summary

This chapter summarises all software changes that have been made in this release.

These changes are derived from the following sources,

- Issues raised by Customers via Bentley Support
- Issues raised internally by Bentley

Issues

Internal Task ID	Issue	Support Log(s)
0111775	Maintain Works Order - Contractor Interface form (MAI3802) did not highlight any document associations on the toolbar. The form has been modified to indicate any associations	8001274055
0111777	Work Order Summary Report (MAI3505) was not including details for end-dated sections. Also, details reported were not being restricted by Work Category when this was specified. The report has been modified to resolve both issues	8001227408
